

Luma

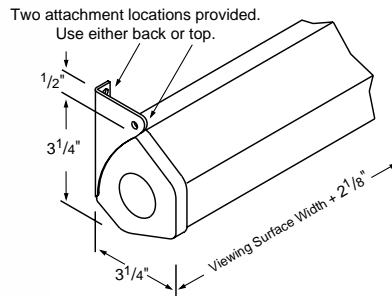

Highest quality spring roller screen for wall or ceiling mounting. For small to medium-size groups.

The LUMA projection screen offers beauty and dependability in the classroom or conference room. Its pentagonal steel case and endcaps are finished in your choice of dove grey (standard), black, or white. Choose fiberglass matt white, glass beaded or F1500 viewing surface. Bottom hem is double-needle stitched for maximum strength. One-piece FABRIKLOK steel roller prevents separation of fabric from roller.

Optional Equipment

- **Extra Drop**—Up to 8' overall height, either white or black (White is standard in AV format; black for all other formats).
- **Black Masking Borders**—Available on AV format screens: 1½" wide in sizes through 70" x 70"; 2" wide in larger sizes. All other format screens have black borders to frame image on all four sides.
- **Projected Mounting Brackets**—6" and 12" fixed, and 16"–25" adjustable, provide clearance for wall-mounted equipment below screen.

Size H x W	Shipping Wt. (lbs.)	Nominal Diagonal	Viewing Area	Overall Size	Shipping Wt. (lbs.)
